

## **4<sup>th</sup> International Scientific Research Congress**

**June 21-22, 2025**

**Istanbul**

**(Online)**

# **CONGRESS PROGRAM**

## IMPORTANT INFORMATION

- Congress sessions will be held **via Zoom**.
- A session link has been created for each session.
- **Connection links are located on the session page.**
- Make sure there are no problems with your computer's camera and microphone connections.
- The **Zoom application is free** and there is no need to create an account to use it. **You can connect by clicking on the session link.**
- If **Zoom is installed on your computer / tablet / phone, you can connect via the program.** If Zoom is not installed, you should continue from the page that opens when you click on the link.
- Session **halls will open 10 minutes before the session time.** To avoid any problems in session planning, the **participant must connect to the session at least 5 minutes before the presentation time.**
- Please pay attention to the session times to avoid disruption of the congress program.

## SESSION TIMES:

- **Session times are according to Istanbul (Turkiye) time.** Due to time differences between countries, we kindly ask you to pay special attention to this issue. You can learn the difference between Istanbul time zone and the time zone used in your country via the internet.
- To avoid any problems in session planning, the **participant must connect to the session at least 5 minutes before the presentation time.**
- Moderator manages the presentation and scientific discussion (question-answer) part of the session.
- **Participation certificates will be sent to the moderators and all participants after the congress.**

**June 21, (Saturday)**

**10.00 - 12.00**

**SESSION - 1**

**Moderator: Assoc. Prof. Dr. Filimon-Benea Anamaria**
